5. Fold and flatten your book. Use any way you wish.

4. Push the opposite corners of the diamond shaped hole together to form the pages of your book.

3. Now fold the paper in half lengthways so that you see a diamond shaped hole from above.

2. Fold the sheet in half widthways and then cut along the dotted line. You should see that you have cut along the whole length of the dotted line. Open the paper out and follow the fold pattern. Press each fold down flat with a ruler or your fingernail.

1. Start by folding along all the lines on the A4 template. Or use a sheet of paper of your choice and or anything you do that you want to present as a book.

You may find this video link useful when creating your mini book.
